

HALTON STANDARD CONDOMINIUM CORPORATION NO. 628
1005, 1025 & 1045 Nadalin Heights, Milton, Ontario

NOTICE – ACCESS TO UNITS

ANNUAL FIRE SAFETY INSPECTION

Tuesday, December 20th, 2022 & Wednesday, December 21st, 2022

8:00 a.m. to 4:30 p.m.

We would like to advise all residents that **ENEK Electric** will be performing the Annual Fire Safety Inspection as required by the Ontario Fire Code on **December 20 & 21, 2022** during the hours of **8:00 am & 4:30 pm**.

Please note that ENEK Electric will require access to your unit to perform this mandatory inspection. A Corporation representative will be providing the contractor access to each unit. The contractor has been advised that since the standard covid protocols have been amended, including, but not limited to, the wearing of masks and social distancing, it is now a personal choice, and they are to respect your choice if you request that they do. We also ask that you reciprocate, should the contractor request the same.

1005 Nadalin Heights – Access to your unit is required on December 20, 2022

1045 Nadalin Heights – Access to your unit is required on December 21, 2022

You may hear the sound of horns throughout the testing which may be disturbing to pets. Due to these intermittent loud sounds, you may wish to leave your unit and remove your pets for their comfort.

Any cost for a revisit to your unit due to lack of access to your unit will be chargeback to your unit. The owners are required to inform their tenants about this notice of access to their units.

Thank you and we appreciate your co-operation.
